CASE#

2018-00036323

NARRATIVE

On December 9, 2018 at approximately 1120 hours I was dispatched to 845 Palm Bay Rd (Walmart) in reference to Officer Mathis advising he was flagged down while driving through the parking lot and advised there had been a battery in the parking lot. Ofc Mathis then advised dispatch he needed additional officers due to the suspect resisting arrest. The following occurred in substance:

Upon arrival I located Ofc Mathis near the east entrance doors to Walmart on the ground with a bystander helping him hold the suspect, later identified as Gregory Edwards, to the ground. Upon approaching Ofc Mathis he advised he needed leg restraints, I ran back to my car to retrieve a Hobble leg restraint and placed it around Edwards' knees to keep him from kicking. I then returned to my car and retrieved leg shackles to place on his ankles as well. Edwards was then moved to my patrol vehicle and a search was conducted prior to putting him in the vehicle. Edwards was then placed in my patrol vehicle and checked by Brevard County Fire Rescue and cleared.

I was notified that the victim of the battery was in the back of the ambulance and I went to make contact with him. The victim ██████ advised he was loading a box truck with toys for underprivileged kids when he saw Edwards climb into the back of the box truck where the toys were. ██████ advised he asked his employee Lebrandon Koonce to get him out of the truck. Koonce asked Edwards to exit the vehicle and then escorted him off of the truck. ██████ then advised as he was walking to the front of the truck when he felt someone start punching him from behind. ██████ started yelling for help and Koonce heard him yelling and jumped from the back of the truck to see what was going on. Koonce then observed Edwards hitting ██████ from behind and grabbed Edwards from and pulled him off of ██████. Koonce then pinned Edwards to the ground and waited for law enforcement to arrive. ██████ advised he did not know Edwards and has never spoken to him before today. ██████ advised he did wish to pursue battery charges against Edwards. ██████ had minor injuries consisting of bruising to his arms and head and minor abrasions on his neck.

Sgt Perez spoke to Edwards' wife who was on scene and was able to provide Gregory Edwards information and also advised Edwards is former military and suffers from Post-Traumatic Stress Disorder and every year around the holidays he becomes manic. She had advised that she had brought him to WalMart because she was afraid he would harm himself if left alone. He had an appointment with the VA tomorrow, regarding his PTSD and the fact that he is not taking the medication prescribed to him. She also described him as being paranoid.

A search of Edwards' information was run and it returned showing Edwards was on felony probation. Edwards was charged with Violation of Probation (On Site), Resisting and Officer with Violence, and Battery.

Due to Edwards being combative he was directly transported to the Brevard County Jail. During the transport Edwards became agitated again and began kicking, stomping, and screaming while in the back seat. Brevard County Jail Deputies were waiting for my arrival and assisted in removing Edwards from my vehicle and bringing him into the booking room. Due to his behavior and information provided by his wife Edwards was Baker Acted upon arrival at the jail.

Patrol Section Report

Sergeant Michael Perez #762

CR# 2018-00036323

On 12-09-18 at approximately 1119 hours I heard Ofc Mathis notify dispatch that he was getting a walk up about a male falling at WalMart. At the same time BCSO Dispatch was advising that a Battery complaint was being called in. Moments later Ofc Mathis advised he was on scene and requested another unit. Ofc Krukoski and I responded from the West Melbourne Police Department. While responding Ofc Mathis requested that responding units expedite their response. Dispatch contacted Palm Bay Police Department and requested officers to respond if they were in the area of Palm Bay Rd, concerning an officer in a fight with a subject.

I arrived on scene and observed Ofc Mathis was holding a subject on the ground. There were Palm Bay Police Officers on scene and West Melbourne Officers were arriving. I learned the Subject had been detained in handcuffs and the Brevard County Fire Rescue (medics) were arriving on scene. I eventually made contact with a female identified as Kathleen Edwards, who stated she was the male's wife. She advised the following.

Her husband, identified by her as Gregory Edwards, is a retired Combat Medic diagnosed with PTSD. She stated he has been out of the military for years, and has been acting "manic." She stated that it seems to get worse around Christmas and last year he was Baker Acted around the same time. While in the hospital he battered a medic or a nurse and was charged with a crime and was on probation now because of it. She stated that he has not slept in 3 or 4 days, regularly walks around the house talking about people outside and often wakes up their daughter checking on her as if something is wrong. She stated he has never been violent towards her or the child, but she was concerned that if he was left home alone he might harm himself. She brought him to Walmart with her and thought he was behind her when she walked inside with the child. She stated that he had an appointment scheduled for tomorrow with the Veterans Affairs (VA). She stated last year when he was Baker Acted he was given counseling for the PTSD. He is prescribed medication but she is pretty sure he is not taking it.

I spoke with a male who stated the male (Edwards) began striking him from behind for no reason and that he had not had any contact prior to being attacked. One of his employees exited the truck and helped pull Edwards away from him. I spoke with the male who had been in the truck and he stated the following. The box truck was parked with the roll up door open and the employees were moving toys from the store to the truck. The male (Edwards) entered the cargo area

of the truck and the Witness told him to get out. Edwards took off his shoes (slides), began laughing and then fell backwards onto the bags of toys lying down. The male tried to get Edwards out of the truck and nothing physical occurred inside. Moments later he heard his boss calling for help and observed Edwards striking his boss. He exited the truck, pulled Edwards off his boss, took him to the ground and held him until law enforcement arrived. I did not get the names of the Victim or Witness, but the explanation they provided was recorded by my department issued body camera. Shortly after the officers on scene collected affidavits and statements from these 2 men.

About an hour later I met with WalMart loss prevention officer Jordan Hutchings and viewed and obtained security video for the incident. This video was turned over to Ofc Krukoski (chain of custody) to be entered into evidence as KK1.

This concludes my involvement in this case. Forward to Records and the SAO.

NARRATIVE

On 12/09/2018 I was conducting routine patrol within the area of 845 Palm Bay Road (Walmart). Upon arrival I investigated the following in substance.

I observed a unidentified black male run up to me within the parking lot. The male advised there was a separate male on the ground possibly in a fight. The male advised this altercation was happening at the WalMart entrance.

I advised dispatch there was a possible suspicious incident and Bolo'd the area at this time. I observed a black male later identified as Lebrandon Koonce on top of the suspect identified as Gregory Edwards. Lebrandon advised Gregory hit his boss and he was holding him until police arrived. I instructed Lebrandon to remove himself from Gregory at this time and I would take over.

As soon as Lebrandon removed himself from on top of Gregory, Gregory tried to break free. I got on top of Gregory in full police uniform at this time and a struggle ensued. Gregory continued to kick and flail his arms in an attempt to escape from my grasp. I tried to handcuff Gregory yielding negative results. During the this time, it appeared that Gregory tried to bite at my arms at least once.

I gave Gregory several verbal commands to "calm down" and "stop resisting" in an effort to help calm him down yielding negative results. Upon backup arriving on scene, Gregory was eventually placed under arrest and charged with resisting with violence, as well as other charges.

Please refer to Officer Krukoski's full case report for further information.

Report of Law Enforcement Officer Initiating Involuntary Examination

State of Florida, County of BREVARD, Florida

I, OFC KEVIN KRUKOSKI, am a law enforcement officer certified by the State of Florida.

For the purposes of this part, the term does not include a developmental disability as defined in chapter 393, intoxication, or conditions manifested only by antisocial behavior or substance abuse impairment.

AND because of the mental illness (check all that apply):

a. Person has refused voluntary examination after conscientious explanation and disclosure of the purpose of the examination; **AND/OR**

b. Person is unable to determine for himself/herself whether examination is necessary; **AND**

2. Either (check all that apply):
